

An apple a day!

What did one apple say to the other? I find you 'a-peeling'!

Pick an apple.

Gently please.

Don't yank.

Don't pull.

Don't hurt the trees.

Visit an orchard.

Give it a try.

Turn the apple,
'eye to the sky'!

The Gala apple tree has 50 ripe apples on it ready for picking. The Golden Delicious tree has 40 ripe apples. A school bus tour arrived and the children picked 10 Gala and 10 Golden Delicious apples. The teacher picked 2 apples from each tree. How many apples are left for the next tour to pick?

Colour me!

Red Delicious apples are red with 5 bumps on the bottom.

Gala apples are red with green vertical stripes!
